

U21 Meeting, Brisbane, September 2004 - Dentistry group schedule

<i>Date</i>	<i>Time</i>	<i>Venue</i>	<i>Activity</i>	<i>Comments</i>
Tues 28.09.04	9.00 AM - 4.30 PM	St Lucia - <i>IMB Auditorium</i>	Teaching of Anatomy to Health Science Students	Optional activity. See separate program for this workshop.
Wed 29.09.04	9.00 AM - 2.00 PM	St Lucia - <i>IMB Auditorium</i>	Plenary sessions: Teaching basic sciences, reports.	During the plenary sessions, there is a segment where Laurie Walsh will report briefly on the process of benchmarking used by the dental schools.
	2.00 PM- 5.00 PM	St Lucia <i>School of Health & Rehabilitation Sciences, Room 325, Level 3</i>	Dentistry discipline group meeting. For each topic, there will be a short (5 minute) presentation to identify the key issues, which will be followed by a general discussion.	Business arising from 2003 meeting in Glasgow: 1. Library/catalogue of electronic learning resources for dentistry (Ed Yen + Keson Tan) * What types of materials could we/should we share? * What is the best way to achieve such inter- changes? * Do we need a catalogue? 2. E-health and Tele-health * What is dentistry's current involvement? * What could happen in the future? 3. Demonstration of CD-ROM-based Orthodontics course (James Lund) 4. Analysis of results from benchmarking project (Laurie Walsh) * Summary statistics for teaching and research inputs and outputs * Further development of benchmarking activities * How to use benchmarking data for School reviews 5. Teaching of basic sciences (follow-up from the morning plenary lecture) * How can basic sciences be integrated better with clinical sciences? * Achieving balance between science and its application * The importance of an evidence base for dental science
	7.00 PM - 11.00 PM	City - Customs House	Dinner for all U21 Health Science delegates	(Mike Morgan arrives Wed evening)

Thursday 30.09.04	9.00 AM- 1.30 PM	City: Customs House	Plenary session: Research – <i>Long Room</i>	
	1.40 PM- 5.00 PM	City: Customs House	<p>Dentistry discipline group meeting – <i>Wilson Room, Queen Street Level</i></p> <p>For each topic, there will be a short (5 minute) presentation to identify the key issues, which will be followed by a general discussion.</p> <p>Please provide your Power point presentations by email to Glenda Maher g.maher@uq.edu.au before the meeting, so that we can have handouts made and organize to have them loaded onto a laptop.</p>	<p>1.
