

Benchmarking

- In 2002 a template for benchmarking was agreed to.
- Template involves:
 - Student numbers for academic year (undergrad, graduate entry, postgraduate coursework)
 - Research higher degrees
 - Profile of graduates – number of graduates per year.
 - Profile of students (gender, local/international)
 - Staff profile (tenure, gender, qualifications, admin staff, academics)

Benchmarking

- Template continued
 - Research profile (publications, grants, consultancy, patents)
- Template piloted
- To be completed by several U21 institutions for UQ 2004 Review SHRS.
- Likely to add to template selection processes, outcomes in 2004.
