U21 Global Telehealth Initiative – Survey

Glasgow September 2003

(Please use the back of this sheet of paper for additional space whenever necessary)

Which school are you from?

Please rate the answers to the following 3 questions from 1 = very low to 4 = very high.
Please use 0 if unsure or not applicable.

What level of interest is telehealth to your school?	0	1	2	3	4
Please explain (optional)					
Importance of telehealth to future health services?	0	1	2	3	4
Please explain (optional)					
Importance of teaching trainees telehealth?	0	1	2	3	4
Please explain (optional)					

What are some of your institution's strengths in telehealth?

What are some of your institution's challenges in telehealth?

In what ways would this U21 telehealth whitepaper be informative to you?

How do you think U21 can work **<u>uniquely and collectively</u>** in a positive manner that otherwise your institution may not be able to do as fully or at all by itself?

Examples (please circle):

Telehealth on line curriculum/modules	No	May be	Yes
Global health policies	No	May be	Yes
Sharing best practices	No	May be	Yes
Collaborative research	No	May be	Yes

Other examples:
