Tuesday 28 Sep	– Welcome Reception
Wednesday 29 Sep – Friday 1 Oct	– U21 Health Sciences Meeting

Thu Sept 30, 2010

13.15 – 17.00 U21 Dentistry meeting

Chair: Damien Walmsley

13.15 – 13.30 **Welcome and introductions**

13.30 – 14.45 **Updates on present projects**

1. Education Activities

*Report on activities of ADEE and ADEA. Developments in Education across the U21 Network. International student interchange between dental programs led by Tec de Monterrey and Brisbane. Discussion on how U21 may be influential in educational activities (**Damien Walmsley, Birmingham; Ana Cecilia Treviño Flores, Tec de Monterrey; Camile Farah, UQ**)*

2. International Dental Student Peer Review Audit Project

*This session will include presentations from **Karen Gardner (UBC), Michael McCullough (Melbourne), and Damien Walmsley (Birmingham). Susan Bridges, CH Chu (Hong Kong)**. The session will provide an update on the broadening of U21 dentistry involvement in the initiative.*

3. Forensic Odontology, Oral Medicine and other elearning projects

*Presentation and general discussion on developing a flagship elearning project using web-based delivery of content in FOD (**Damien Walmsley, Birmingham; John Clement, Melbourne; David Sweet, UBC**)
The use of Oral Medicine web-based lecture material in developing countries for dental student teaching (**Michael McCullough**)
Presentation and/or general discussion focusing on the possibility for extension/expansion on indigenous outreach involving other U21 schools*

Current activities in Vietnam (Ed Yen, UBC)

4. Trans-cultural Communication Project

John Clement, Melbourne

14.45 – 15.00 Tea/Coffee break

15.00 – 16.45

5. Potential Research Collaborations across Dentistry Network including potential new member ACTA - Amsterdam

*Discussions amongst all members on research taking place in each dental school. Each school will present their research portfolio. Discussion will centre on the potential for future collaborations and funding opportunities across the Network?
(HKU, NSU, UQ, UBC, UoM, B'ham, ACTA)*

6. Comparison of infection control procedures

*General discussion focusing on core infection control practices, as a means of consolidating the evidence base for guidelines on infection control, and to align practices in schools with situations in clinical practice, so that students are sufficiently prepared for infection control issues after graduation
(HKU, NSU, UQ, UBC, UoM, B'ham)*

7. Issues arising from the main (multidisciplinary) programme and Executive meeting

General discussion on any topic, for example, the U21 UN MDG initiative, etc

16.45 – 17.00 **Wrap-up and way forward**
