2

Team-training of complicated childbirth

- Briefing
- Team -training in a simulated context
- Communication
- Leadership
- Multi-professional perspective
- Debriefing

Anna-Karin Dykes 2008 U 21

3

Scenarios

- Shoulder dystocia
- Breech presentation
- Duplex
- Bleeding post partum
- Instrumental delivery

Anna-Karin Dykes 2008 U 21

4

Before

- **Theoretical discussion about complicated deliveries**
- **Individual training of clinical skills**

Anna-Karin Dykes 2008 U 21

5

Team-training

Video taped
Simulation-Based Learning
Debriefing
Objectives (the same or different)
Evaluation

Anna-Karin Dykes 2008 U 21
